In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1963 by Mr. Ralph Norton, Selectman, with Mr. McCoy of this Office.

The resulting changes in highway mileage are indicated on the enclosed map and explained on the attached breakdown sheet. You will note that Town Highway SA1A (designated by the letter L on the map) is not included in the breakdown list; to add this road to the Town Highway System, a Certificate of Completion and Opening to Public Travel is required.

For your convenience, we have entered the changes in Town Highway mileage on the enclosed Highway Mileage Certificates and would appreciate your entering any other Town Highway changes processed in accordance with the statutes this past year.

Very truly yours,

Mr. J. E. Farrell  
Chairman, Board of Selectmen  
Middleton Springs, Vermont

Dear Sir:

On your 1960 Mileage Report you have indicated that you desire to make certain additions to your town highway system.

Title 19, V.S.A., Section 15 requires the filing of a "Certificate of Completion and Opening to Public Travel" on all new highways. Included must be the Book No. and Page No. of the Town Records which contain the laying-out of the new roads.

We cannot accept any new mileage unless this Statute is complied with.

We are attaching a suggested form for the "certificate of completion" for your use if you desire.

If a "certificate of completion" cannot be executed and returned by April 1, the previous year's mileage will be used.

Very truly yours,

*William Poeter*
