BYAM, CARLETON & CO,

Manufacturers of

FRICITION MATCHES,

Nos. 92, 94, 96, 98, 100 and 102 Friend Street,

BOSTON.

The Manufacture of these Matches was
Commenced in 1835.

The quality of these Matches has now been tested for thirty years in every climate, and has withstood the damp and humid atmosphere, where all others have failed. House-keepers always give these Matches the preference. Shippers and Sea-Captains express themselves, after years of trial, in one manner concerning their superiority over all others for exportation.

* * * Parlor, Card, Block, Wood and Paper-box Matches always on hand and packed at short notice for shipment.
