Subject: RE: Certificate of Highway Mileage

Good afternoon Katie,

Ultimately statute states the Certificates need to be filed annually on or before February 10th and VTTrans request them by February 20th, this is the formality of the process. In reality, we won't be closing out the Mileage Certificates until early March, so there is some latitude this year to formalize any agreements that the Towns of New Haven and Middlebury have regarding the town line roads. If the Selectboards' work will take 2 weeks or so, this would work within our timeline. If this effort takes longer than that, it may make sense to make the changes next year.

Please feel free to contact me with any questions or comments regarding the process, or mapping in general.

Subject: Certificate of Highway Mileage

Hello, Jonathan,

As you might remember, the Towns of New Haven and Middlebury have been in discussion regarding the maintenance of Cobble Road (TH35 in New Haven). At our most recent meeting, there was a verbal agreement that the towns divide the mileage in half on our Certificate of Highway Mileage.

In preparing our currently due 2013 Certificate of Highway Mileage, we would like to submit the proposed change, to show 0.545 miles rather than the current 1.09 miles. Is it possible to delay our submittal until agreement has been approved in writing by both selectboards?

Thank you for your consideration.

Hi, Sara:

A minor correction on our town map: we have paved a section of Plank Road, starting at the intersection of Plank & Sawyer roads, going one-half mile west.

This was done several years ago and we did not get the information to you. Sorry!

Thanks.

Dear Ms. Moulton:

Enclosed is your Certificate of Highway Mileage form for the year ending February 2013. I apologize for the delay: we were in discussion with the Town of Middlebury regarding the status of Cobble Road form, but were unable to finalize our agreement.

We do note for your Town Map (email sent earlier) that we have paved a portion of Plank road, starting at Sawyer Road and going west 0.5 miles.

If there's anything further we need to do or other information we need to submit, please let us know.

Sincerely,
