. . . MINUTES OF A PUBLIC HEARING FOR THE DISCONTINUANCE OF
HOLTZMAN ROAD T.H. #17

Office of Selectmen
December 16, 1996
6:30 P.M.

SELECTMEN PRESENT: Clarene Curtis, Keith Squires and Richard King.

PUBLIC PRESENT: Richard Lacy and James Davis.

Clarence Curtis called the Public Hearing to order to discuss the discontinuance of a portion of T.H. #17, also known as the Holtzman Road. He asked for any comments to be made by the public.

The minutes for the site inspection held on December 14, 1996 at 8:10 A.M. were read.

The motion was made by Keith Squires to discontinue a portion of Town Highway #17, now a class 4 highway, .3 of a mile shown on our State map. This position begins at the end of what is now a Class 3 highway at a point near the old sap house and northerly to a point where the present driveway to the Bravar residence enters onto Town Highway #17 and extends .3 mile onto the Holtzman property. A condition of the discontinuance will be that town highway men and equipment may enter onto the Holtzman property, if necessary, to do minor work to prevent water draining onto town highway #17. This motion was seconded by Richard King and so voted by all Selectmen present.

Jim Davis said that everything sounded all right to him and any time that it is necessary to do anything to protect the town road there would be no problem. Davis said the driveway is going to be black topped this spring.

Adjournment took place at 6:36 P.M.
