The length was estimated but it looks like you have a very accurate figure so I would be inclined to change the number to reflect that. The Town did not change anything from Route 100 to GB Drive so the yellow on your map is correct. We did send certified mail notices to all abutting land owners as well as our Planning Commission. I did not notify National Forrest because they were not an adjacent landowner. I will speak to the Selectboard and make the changes to the form and resend.

Subject: RE: Readsboro 2024

Good morning Karen,

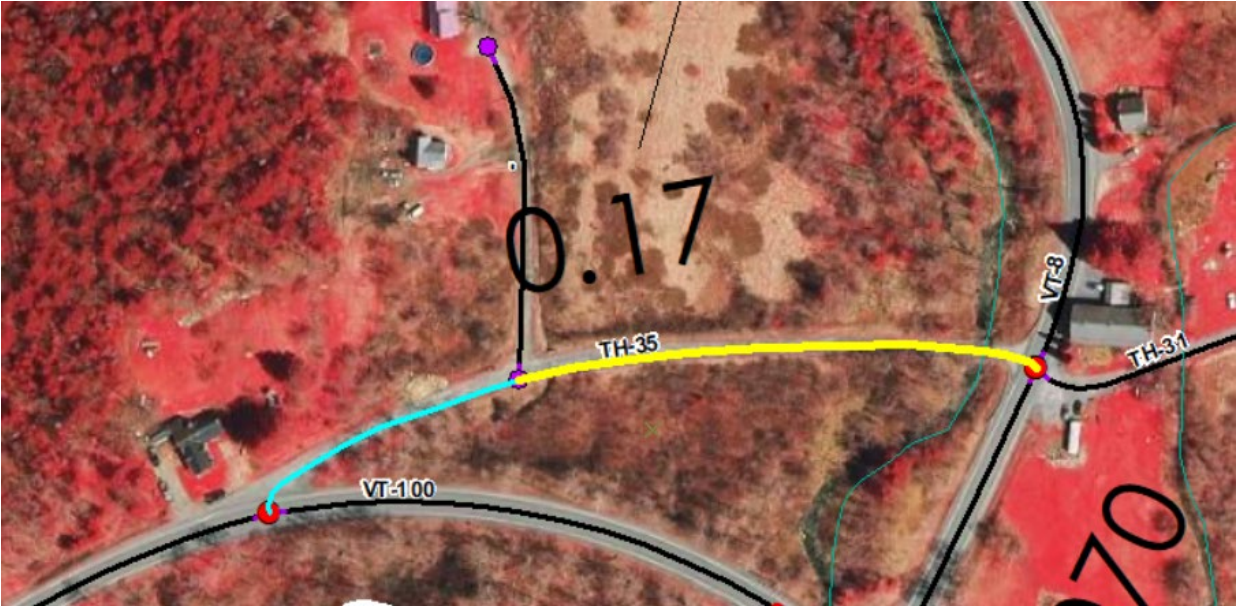

Thank you so much for the certificate and supporting documentation for the discontinuance of TH-35 (Old County Ln) in Readsboro. I am not 100% clear on the length and location of the discontinuance and could use your assistance in clarifying where that is. In Part I, 0.15 miles is subtracted but the description in Part II mentions 400' in between VT 8 and GB Drive. 400 feet is equal to 0.08 miles and the AOT miles currently for TH-35 from VT-8 to VT-100 is 0.17 miles. We have the length of TH-35 from VT-8 to GB Drive (highlighted in yellow in the image below) at about 0.10 miles, which is closer to 0.08 miles, or 400 feet than the 0.15 miles in Part I.

What is the intent of the discontinuance? Then entirety of TH-35 (=0.17 miles) or just from GB Drive to VT-8? If you and the selectboard could please verify for us, I can make the update on the certificate before we sign it and send it back to you. It sounds like it is the segment highlighted in yellow, which means I would just change the **0.15 miles in Part I to 0.10 miles**. Let me know if the Selectboard would agree to this change on the certificate.

A sketch map would be helpful for us if the discontinuance is shorter than the total length between the roads.

The order of discontinuance signed indicates that "All interested parties desiring to be heard have been heard." I just want to confirm with you that all adjacent landowners have been notified. If you have not yet, we also recommend that the Vermont of Forest Parks and Recreation have been notified as well as the Readsboro Planning Commission (if you have one).

Once you have the survey complete as noted is in the plans, it would be great to send to us for our files.

Best,

Pam
