Hello Mike,

I just wanted to let you know that the remeasurement of class 2 TH-2 (Burke Hollow Rd) was triggered by me noticing mileage inconsistencies along much of the road while I was processing the discontinuance of a portion of TH-38 (Birch Tree Ln). It's simply a coincidence that assigning mileage to the approach at VT-114 perfectly compensated for the mileage discrepancy observed in the rest of the route. Sometimes two "wrongs" kind of make a right! 😊

Let me know if you have any questions,

Kerry
