There is indeed!

<http://vtransmaps.vermont.gov/mapsftp/current.asp>

You'll have to select Benson from the "Select a Town" drop-down menu bar (the County filter is optional), and then you'll see a link to the most recent map.

If you want to peruse all the archived Town Highway Maps for Benson (including the most recent map), select the "Archive" link on the far left of that page, and again select Benson from the Town menu bar.

We've also started posting scans of the mileage certificates online, and those can be accessed from this page:

Enjoy!
