Someone from the Woodbury town office called me on Monday, Jan.8, saying that the town had already sent in a Mileage Certificate for the Town of Woodbury. I stated that I had not received the certificate. I just want to confirm that the certificate was received by the Agency of Transportation on Jan. 8, but it did not arrive at my desk until yesterday afternoon.

Everything on the submitted certificate looks in order. If you haven't already processed the certificate you received on Monday, you don't need to continue processing it. The certificate I received will be fine. I was having other towns reprocess their certificates because most of them hadn't been filled out completely and correctly.

Please let me know if you have any questions.
