Dear Town Clerk:

Enclosed is a copy of your 2005 Certificate of Highway Mileage showing our revision to the mileage of TH-446 (Elliot Street) which was reclassified from Class 3 to 2. The calculation of 0.16 miles originally listed on your certificate included the segments of Elliot Street which are between Main and Spring Streets, but did not include the 0.01-mile segment between Spring and Elm Streets. We updated the mileage to include that segment.

Please let me know if you have any questions.

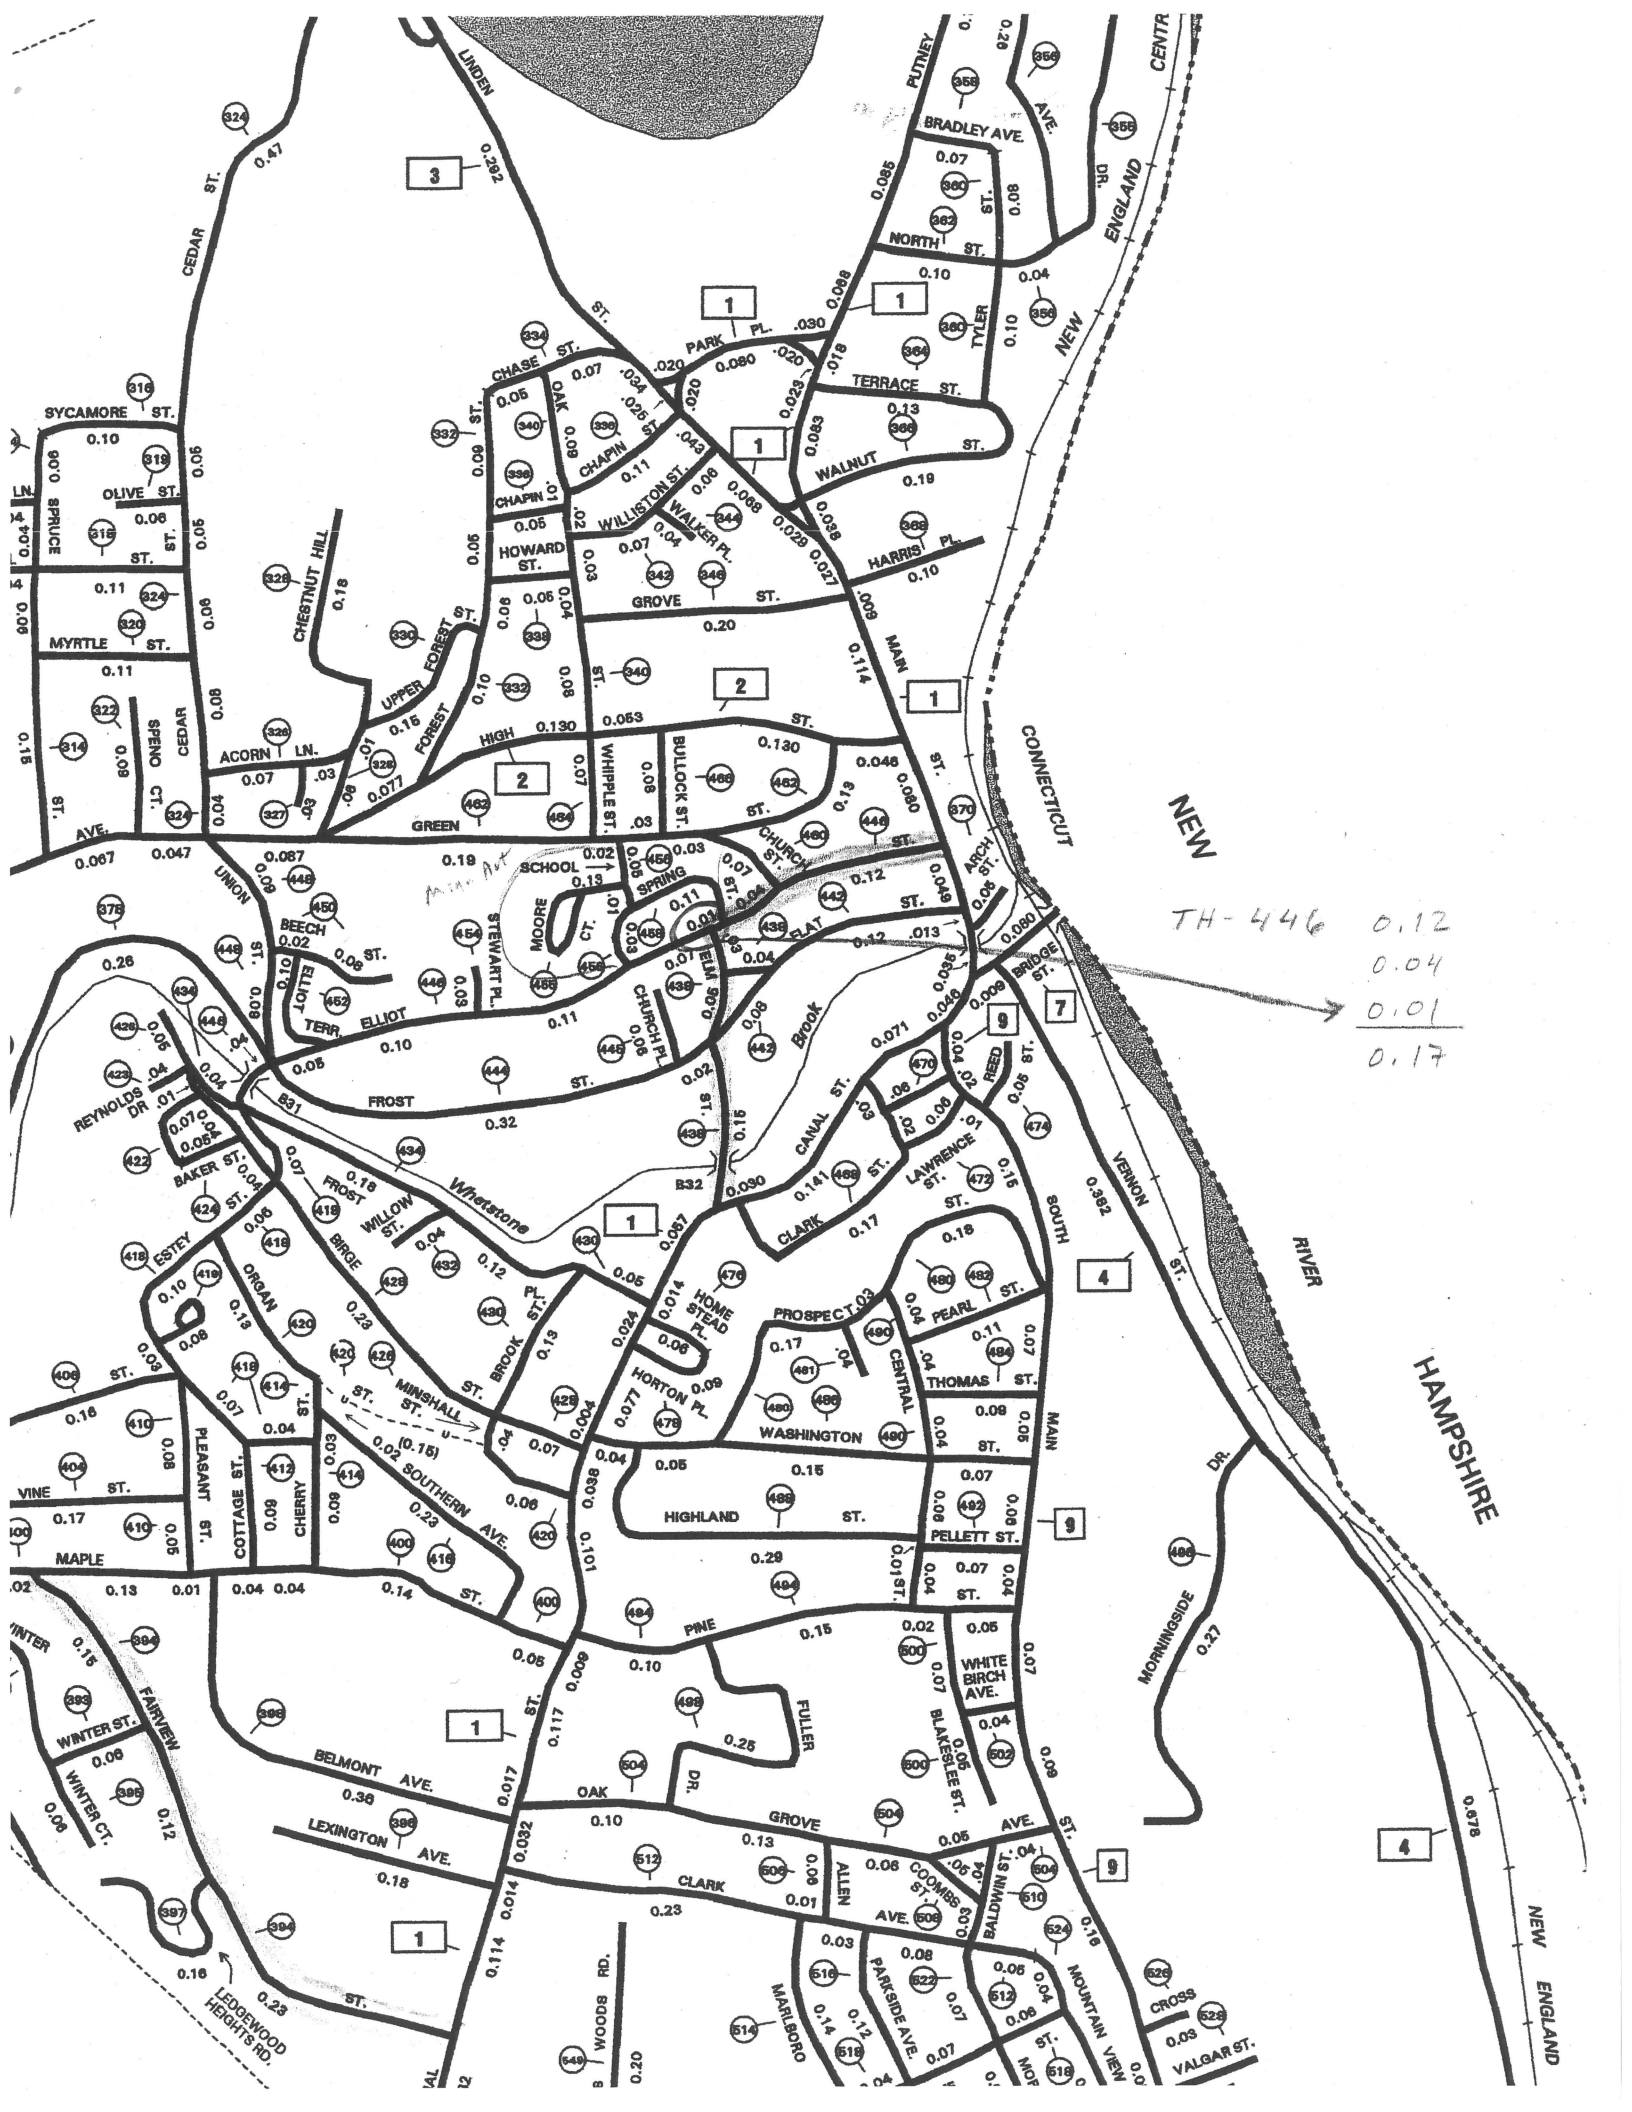

Sincerely,

*Sara Moulton*

Mike,

Ok.

Make the necessary updates. These will need to be added to the Class 2 Inventory database at some point.
