 Vermont Agency of Transportation -- February 2007

STATE OF VERMONT  
TOWN OF BRATTLEBORO

WHEREAS, at Brattleboro, Vermont, on the 5<sup>th</sup> day of September 2006, the Selectboard of the Town of Brattleboro, on their own Motion, did vote to propose that pursuant to Title 19 Vermont Statutes Annotated, Chapter 7, as amended, that the following public highways in the Town of Brattleboro be discontinued for public use:

- A) Being a portion of Fisch Road, Town Highway No. 2, a class 4 road also known as Thayer Road: From the beginning of the pent road (at the gate) leading to the premises of Muriel Wolf (tax map 05, parcel 9) southward to the terminus of Fisch Road.

WHEREFORE, the Selectboard did order and appoint that on the 17th day of October, 2006 at 4:00 p.m. they would meet at the Brattleboro Selectboard Meeting Room in Brattleboro, Vermont for the purpose of hearing all persons interested in said public highway and its discontinuance, and for the purpose of examining the premises affected thereby, and did give notice thereof to the statutory parties and to those set forth in Exhibit "A" attached hereto all being persons who own or are interested in the lands on which said proposed roads now lie or abutting on said roadways at their last known addresses; and did give notice thereof to the voters of the Town of Brattleboro by posting notices thereon on September 14, 2006 in the public places within the Town, and did

give notice to the voters of the Town of Brattleboro by causing a notice to be published in the Brattleboro Daily Reformer, a newspaper with a circulation in Brattleboro, Vermont on September 16, 2006 and did leave a copy of such notice with the Brattleboro Town Clerk

AND, afterwards, on October 17, 2006 all of the Selectboard did examine said premises, and did hold a public hearing on October 17, 2006 at 4:00 p.m. and at 6:15p.m. at the Brattleboro Selectboard Meeting Room at which time individuals appeared and gave testimony regarding said road.

AND, the Selectboard determined that the present status of the public highways is as follows:

1. That the section of road to be discontinued is a pent (gated) road which terminates within the surrounding land of Muriel Wolf and which serves no other lands or premises other than Wolf.

2. That the town has heretofore maintained the road only in the summer and has graded the road once per year.

3. That the road does not connect to any other public ways at its terminus within the Wolf premises and therefore does not provide recreational access to other town highways.

AND, after due discussion and deliberation with those in attendance and after review of the premises with the adjoining landowners, the Selectboard was of the opinion and did so vote that the necessity and convenience of the inhabitants and the

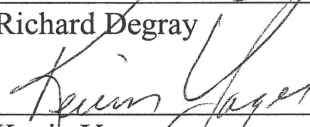

public good requires that the road be discontinued as a public road.

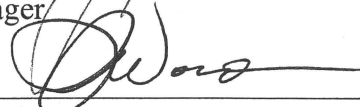

THEREFORE, it is ORDERED by the Selectboard that the roadway as above described be DISCONTINUED.

Dated at Brattleboro, Vermont this 17<sup>th</sup> day of ~~October~~<sup>October</sup>, 2006.
