persons owning or interested in the lands which said private road as altered may pass or abut, the municipal planning commission, all by written notices, delivered by certified mail, to each of said named persons at least thirty (30) days before the time so fixed for hearing at the Town Office in Dover, Vermont on September 17, 1993, and did also cause a copy of said notice to be published on September 4, 1993 and September 11, 1993 in the Brattleboro Reformer, Green Mountain Courier, and The Valley News, a daily newspaper and weekly newspapers having circulation in Dover, Vermont.

A copy of such notice, as mailed, posted, published and delivered being attached hereto and incorporated herein by reference (Exhibit #3).

And afterward, on the said 17th day of September, 1993 at 4:00 P.M., due hearing was held as stated in said notices and as ordered and appointed by the Selectmen. Present at said meeting were: Catherine Kaufmann, Norman Rosenberg, and Robert Rubin, Selectmen. Also present were John Redd, Herb Childs, Phil Davis, and Diane Classon, Administrative Assistant for the Town of Dover.

Within a short time prior to said meeting the Selectmen did thoroughly examine the premises and roadway layout, and at the meeting they did offer to make such further examination of said premises as might be requested by any person. There being no request for further examination, the meeting was carried on. The Selectmen stated that they would like to hear from any and all persons who wished to speak upon the question of whether or not the public good and the necessity and convenience of individuals require the laying out proposed (See Exhibit #4, Minutes of the Hearing.)

Chairman Catherine Kaufmann advised that the total estimated cost for the special assessment to bring the road up to town specs and have it paved is \$61,892.50. This figure divided by 21 lot owners would equal \$2947.26 per lot owner. Divided over a five year period, the yearly estimated special assessment will be \$589.45 per lot owner.

The Chairman then asked if there were any further questions or comments, and being there were none, the hearing was adjourned at 4:30 P.M.

At the November 9, 1993 meeting of the Dover Board of Selectmen, a motion was made by Norman Rosenberg to have the town take over the North Entrance Road and Snow Vidda Road and lay them out as Class III town roads. The motion was seconded by Charlotte Bond and was so voted unanimously.

The Selectmen did thereupon order that said roads, as described above, be established.

Dated at Dover, Vermont, this 9th day of November, 1993.
