2. That the trail petitioned herein by the Selectmen to be re-classified as a Class III highway is approximately one mile in length.
3. That since the road was reclassified as a trail by public hearing and proceedings recorded August 1, 1972 a portion of the property abutting Town Highway #34 (the McMillan Road) has been subdivided by Sugarhouse Heritage Corporation into 19 lots and a portion of the property abutting Town Highway #34 (the McMillan Road) has been subdivided by Patten Realty Corporation into seven lots.

6. That the Selectmen received a letter from Attorney J. Eric Anderson dated January 4, 1988 representing Walter Waskewicz petitioning the Town to begin town maintenance of Town Highway #34, the McMillan Road.
7. That there are improvements to several lots including three vacation homes, one mobile home and a garage.
8. That Town Highway #34 (the McMillan Road) has been brought up to Town of Halifax Highway Specifications by the Patten Corporation.
9. That by making the roadway a Class III highway would facilitate the snowplowing by the Town and enhance the safety of the inhabitants living adjacent to an using the highway.
10. That all those present at the hearing voiced their opinions in favor of the roadway being re-classified as a Class III highway and maintained as such.

THEREFORE, the selectmen were of the opinion and did so vote that the convenience of the inhabitants and the convenience and public good requires that the following TRAIL be LAID OUT and re-classified a Class III public highway and maintained as such.

"Town Highway #34: Beginning at a point approximately 300 feet westerly of the junction of town highway #35 and #33 and extending westerly approximately one mile to a point adjacent to the driveway of the Ireland Place, so-called.

AND, the said Selectmen did then determine and vote that no damage was sustained by any person owning or interested in lands through which said proposed roadway ran or abutts.
