Dear Town Clerk and Selectboard:

Thank you for returning your 2007 Certificate of Highway Mileage. I am following up on the note included in the New Highway section of the certificate.

We need more documentation to incorporate this change. The portion of TH-14 referred to on the certificate has never been recorded in the Agency of Transportation's town inventory for Halifax, either since 1973 when the current classification system was enacted, or since 1931 when the state started to record an inventory of town highways.

While the trail/highway shows up in the 1869 Beers "Atlas of Windham Co Vermont" and also on USGS maps, we do not have any documentation to indicate that the town has adopted it as a public right-of-way. The type of documentation we need is outlined in the Supporting Documentation section in the enclosed "2007 Guidelines - Certificate of Highway Mileage." Please forward any documentation you can regarding this road being a town highway.

If you have any questions, please call me at 802-828-2109 or send e-mail to sara.moulton@state.vt.us

Thank you.

Sincerely,

Sara Moulton
