PO Box 223
Townshend, VT 05353

Dear Mr. Dezendorf:

The VTrans Mapping Section has not accepted the change in Class 3 mileage from 44.88 to 44.66 as submitted on Townshend's 2014 Certificate of Highway Mileage. A note attached to the Certificate stated "These changes to agree with 2013's totals."

The total Class 3 amount of 44.66 was submitted by the Town on its 2013 Certificate, but that figure was adjusted to 44.88 based on the Mapping Section's interpretation of the submitted documentation. The amount of 44.88 reflects the final Class 3 mileage as accepted in 2013.

Please feel free to contact me with any questions or comments related to this letter, or mapping in general.

Sincerely,

Johnathan Croft
AOT GIS Database Administrator

Johnathan,
The Certificate of Highway Mileage somehow got lost somewhere between Townshend's Highway Commissioners and Road Foreman, and though I requested that your office Fax another, (802-365-7309), it hasn't been received. Our mileage hasn't changed, but if you could get a Certificate to me via Fax or e-mail to this address, I'll get it completed, signed and returned by the 24th. Thanks.
