TO TOWN/CITY/VILLAGE CLERK &
SELECTMEN/ALDERMEN/TRUSTEES OF: READING

Enclosed is your 1991 Certificate of Highway Mileage. THIS CERTIFICATE MUST BE COMPLETED in order to determine and distribute state aid for Town Highways.

In 1990, your Town Highways were inspected and remeasured by Jay H. Kilton, Road Inventory Supervisor and Town Official, Robert Allen. The enclosed work sheet summarizes the changes in mileage and classifications found as a result of this road inventory, along with your 1990 updates.

The mileage changes listed in sections 5 and 6 of the work sheet have already been entered on the Certificate of Highway Mileage. If your town decides to make any of the changes listed in section 1 through 4, please send in documentation. Remember that mileage changes, with documentation, can be sent to the Planning Division any time during the year.

Complete Certificate in accordance with enclosed instruction sheet and return to this office before February 10, 1991. If you have any questions, please contact Jay Kilton, Road Inventory Supervisor (828-2568) or Edward Chabot, Business Manager, at 828-2671.

Thank you.

Sincerely,

Wilson k. Wheatley, III, P.E.

Dear Mr. Chabot:

In response to your letter of January 2, 1991, regarding our 1991 certificate of Highway Mileage and specifically item #4 of the work sheet, regarding changes from class 3 to class 4, the Selectmen of Reading VT offer the following explanations:

Item #4-A Town Highway #25

At this time, the Selectmen agree that the .25 mile portion is not up to class 3 standards and we will probably downgrade this portion to class 4 at some future date. ✓

Item #4-B Town Highway #30

The Selectmen of Reading have included a substantial amount of money in our 1991-1992 highway budget to improve the worst portion of this road. Our plan is to continue the improvement of this road, over the next 3 to 4 years, which will bring it to acceptable class 3 standards. ✓

Item #4-C Town Highway #42

During the summer of 1990 the .17 mile section of highway that was questionable, was graded, ditched and resurfaced, and we feel it will now be considered acceptable by your Road Inventory Supervisor. ✓

Item #4-D Town Highway #60

The Selectmen have written a letter to the landowner requesting that the gate be moved approximately .12 miles to the end of the class 3 portion of the highway in the Town of Reading by July 1, 1991. ✓

OK
on mileage certificate
for 1992

Item #4-E Town Highway #62

This gate was moved to the end of the class 3 Town Highway during the summer of 1990. ✓

In view of the information provided above the Selectmen of Reading respectfully request that you reconsider the 'reclassification', from class 3 to class 4, of the Town Highways in items #4-B, C, D, and E.

Sincerely,

Robert K. Allen
