Dear Town/City/Village Clerk:

Attached is a signed/unsigned copy of your "Certificate of Highway Mileage".

Please note: If town had any road mileage changes, they were NOT processed this year. We were able to process certificates with changes received twenty-five (25) working days after the February 10th cut-off date printed on the "Certificate of Highway Mileage". Any certificate with changes received after this date has been treated as "NO Change in Mileage" and signed by the Transportation Mapping Engineer. Any road mileage changes with documentation attached to a certificate received after the above time frame will be applied to the next year Certificate.

If you have any mileage changes this summer, documentation and map can be sent to us anytime during this year for processing on the next year's "Certificate of Highway Mileage".

If you have any questions, please call Don Harvey, Mapping Engineer, at (802) 828-2568, or Dilana Leslie, Business Office Clerk, at (802) 828-2672.

Sincerely,

Dilana Leslie
