Dear Mr. Eling:

At our regular Selectboard meeting on August 11, 2003, we reviewed the status of East Rowe Hill Rd (TH 51) to Rush Meadow Rd. (TH 6), per your letter of June 17, 2003.

We have determined that this easterly section of Rowe Hill Rd. is a Class IV road. Please let us know if we need to do anything further.

Sincerely,

Harold F. Pyke, Chair
West Windsor Selectboard

Re: Town Map

We received word through Highway District Manager Ann Kreis that the Select Board states that there is a trail extending from East Rowe Hill Rd (TH 51) to Rush Meadow Rd (TH 6). It is our practice to only show roads or trails on town maps that are public rights of way. Namely state hwy's, town hwy's, and 'legal trails'. A legal trail means that a public right-of-way exists. If a trail is in private ownership, we would not add it to map.

If this particular trail on Rowe Hill Rd is a legal trail, please send to me at address below a statement signed by Selectman stating that trail is a town right of way. We will then add the trail to map.

Thank you for bringing this to our attention. We always appreciate hearing from towns about accuracy of these maps.

Feel free to call if you have any questions.

Sincerely,

Michael Eling

RE: Update to Town Map

The selectboard reviewed their town map and commented that the trail portion of TH6 is not shown where it connects to TH51.

I told them I would pass this on to you for updating. The maps they have on record prior to 1930 show this connection.
